APRIL 2012 NEWSLETTER

Dear Residents,

The newly elected management committee held its first meeting since the AGM. Manfred Scriba was elected chair and Gerhard Schack, vice-chair. Attached you will find a summary of the members' allocated portfolios for 2012. Please feel free to contact a member concerning any issues that you might have.

We would furthermore greatly appreciate the voluntary assistance of a legal professional in the drafting of some letters and advice on general legal matters. Please contact Manfred Scriba (chair@dwra.co.za).

As crime prevention continues to be one of our major concerns, a security sub-committee comprising Anton Noeth, Bersan Lesch and Lesley Holworthy will drive our camera project. This project aims to raise sufficient funds to install good quality cameras at critical locations, as soon as possible.

While we pride ourselves that crime is low in our area, it has the tendency to return as soon as we as residents relax our vigilance. Please note that it has come to our attention that recently, elderly women sitting on the sidewalks for long periods have been linked to break-ins. In cases where something looks suspicious please inform ComSafe.

Furthermore we urge you to report all crime to the police. Failing that, please inform ComSafe or a member of the committee. The information will assist sector 1 and the police to compile an accurate report on crime statistics which will result in better policing.

Finally we would like to humbly request the yearly contribution of R150 per household per year, or R250 per year + R10 per unit per year for complexes.

APRIL 2012 NUUSBRIEF

Beste Inwoners,

Die nuutverkose bestuurskomitee se eerste vergadering sedert die AJV het Donderdagaand plaasgevind. Manfred Scriba is verkies as voorsitter en Gerhard Schack as vise-voorsitter. Aangeheg is 'n opsomming van die portefeuljes van die verskillende lede vir 2012. Kontak asseblief enige lid rakende sake wat u aangespreek wil hê.

Die hulp van 'n professionele persoon wat ons met geregtelike sake kan help, soos saamstel van briewe en algemene raad oor wetssituasies, sal hoog op prys gestel word. Kontak asseblief vir Manfred Scriba (chair@dwra.co.za).

Aangesien misdaadvoorkoming steeds een van ons hoofsaake is, is 'n veiligheid-subkomitee saamgestel bestaande uit Anton Noeth, Bersan Lesch en Lesley Holworthy om ons kameraprojek te bestuur. Hierdie projek het ten doel om genoeg fondse bymekaar te maak om so vinnig moontlik goeie kwaliteit kameras op kritiese plekke aan te bring.

Terwyl ons trots is oor die lae misdaadsyfer in ons gebied, gebeur dit egter telkemale dat die misdaad toeneem sodra die inwoners hulle waaksaamheid verslap. Neem asseblief kennis dat dit onder ons aandag gebring is dat ouer vroue wat vir lang tydperke op sypaadjies sit aan inbrake gekoppel word. Indien iets verdag voorkom, kontak asseblief vir ComSafe.

Daar word ook 'n beroep op almal gedoen om alle misdaad by die polisie aan te meld. Diegene wat nie die polisie wil kontak nie word versoek om dan asseblief vir ComSafe of 'n lid van die komitee te in te lig. Hierdie inligting sal van groot hulp vir sektor 1 en die polisie wees om 'n akkurate misdaadstatistiekverslag saam te stel wat weer tot beter polisiëring sal lei.

Laastens 'n vriendelike versoek dat alle huishoudings asseblief R150 per jaar en komplekse R250 per jaar + R10 per eenheid sal bydra tot die onkoste van die DWRA-vereniging.
