

**NEWSLETTER**

**November 2012**

Dear Residents

I would like to thank all who have contributed to the residents association and installation of cameras. Due to work commitments by the committee members as well as technical details that had to be sorted out, we will only be able to start the installation of the first camera now. Thanks to Colleen's Florist this camera will be installed at the corner of Uitspan and Rossouw streets. Due to the vigilance and perseverance of many patrollers and members of the community as well as the relentless effort of ComSafe, we are lucky to experience a relatively low crime rate. Please do not become complacent however. It has been proven that criminals will use any opportunity and increase their criminal activities over Christmas. With this in mind, I would like to encourage (nicely ask) all residents, who have not done so already, to do two things:

1. Help with our visibility patrols (green light drives). **bersan.lesch@dst.gov.za**
2. JOIN COMSAFE. The patrollers of ComSafe are taking on more and more patrols and assist, without compensation, all residents in our area. It is only fair that we support them. **anton@comsafe.co.za or 0861122407**

As part of this letter you will find a brochure which we have generated to promote Die Wilgers. We are confident that this document will highlight the value of being in Die Wilgers and thank the businesses that have sponsored its printing.

Best regards and representing the whole committee, wishing you a blessed Christmas.

**NUUSBRIEF**

Geagte inwoners

Ek wil graag almal bedank wat bygedra het tot die inwoners vereniging en die installering van kameras. Weens verpligtinge van die komiteedele sowel as tegniese besonderhede wat nagegaan moes word, sal ons nou eers in staat wees om met die installering van die eerste kamera te begin. Danksy Colleen's Florist sal die eerste kamera geïnstalleer word op die hoek van Uitspan en Rossouw strate. Te danke aan die waaksaamheid en deursettingsvermoë van baie partollieryers en lede van die gemeenskap sowel as die onverpooste poging van ComSafe, is ons gelukkig om 'n relatief lae misdadafsyfer te ervaar. Bly asseblief waaksaam. Dit is bewys dat misdadigers enige geleentheid sal gebruik en veral oor Kersfees meer aktief sal word. Met dit in gedagte, wil ek graag alle inwoners wat dit nog nie gedoen het nie, aanmoedig (mooi vra) om twee dinge te doen:

1. Help met ons sigbaarheid patrollies (groen lig ryers). **bersan.lesch @ dst.gov.za**
2. SLUIT AAN BY COMSAFE. Die patrolleerders van ComSafe neem meer en meer patrollies oor en help, sonder vergoeding, alle inwoners in ons area. Dit is net regverdig dat ons hulle ondersteun. **anton@comsafe.co.za of 0861122407**

Aangeheg aan hierdie brief vind u 'n brosjure wat ons saamgestel het om Die Wilgers te bevorder. Ons vertrou dat hierdie dokument die waarde van in Die Wilgers woon sal uitlig en bedank die besighede wat die druk daarvan geborg het.

Beste wense en namens die hele komitee, 'n geseënde Kersfees.
